A1-B2, B1-A2, C1-D2, D1-C2 and on depending on number of participating teams.

**9.3. Finals**

The winners of the semi-finals will play for 1st and 2nd places, the losers for 3rd and 4th places.

**9.4. Classification of Teams**

The classification of the teams in each group of a contest shall be made on points, namely: two (2) points for each game won, one (1) point for each game lost and no (0) points for a game lost by forfeit.

If at the end of a round two or more teams have the same number of points, classification shall proceed in the following manner:

- a) If there are two teams equal in this classification, the result of the game between the two teams involved will be used to determine the placing.
- b) If more than two teams are equal in the placing, a second classification will be established, taking into account only the results of the games between the teams that are tied. In the event that there are still teams tied after the second classification, then goal average, taking into account only the results of the games between the teams still tied, will be used to determine the placing. If there are still teams tied, the placing will be determined using goal average from the results of all their games played in the group.

If at any stage using the above criteria in (b.) a multiple team tie is reduced to a tie involving only two teams, the procedure in (a.) will automatically be applied. If it is reduced to a tie still involving more than two teams, the procedure beginning with the first paragraph of (b.) is repeated.

Division will always calculate goal average.
